The Energy Authority® Relocates Its Headquarters Office

JACKSONVILLE, FL (May 30, 2007) – The Energy Authority, the nation’s leader in public power energy trading, moved its Jacksonville headquarters over the weekend of May 18, to a newly renovated, larger space to accommodate its growth and serve its Members more effectively. **Its new address is:**

301 West Bay Street, Suite 2600, Jacksonville, Florida, 32202

The phone number remains the same at (800) 423-4800 or (904) 356-3900.

CEO and President of The Energy Authority, R. T. “Bob” Dyer, P.E., said, “Over the last 10 years, The Energy Authority has substantially grown and added numerous additional services needed to serve the ever-changing public power wholesale marketplace. We are now also better prepared to accommodate our expected future growth. This new facility takes advantage of the latest in office design technology, which will allow us to improve operating performance and more effectively serve the needs of our existing and future members.”

The Energy Authority® is the nation's leader in public power energy trading and risk management. In July 2006, TEA acquired Power Resource Managers, LLP, expanding its footprint to serve California and other public power organizations located in the Northwest. TEA is wholly-owned and directed by its Public Power members who participate in the organization's decision-making. Today, 39 public power organizations across the nation representing

more than 25,000 MW of combined generation assets are served by TEA.
